The Senior Class of 1983 cannot find the words to express our gratitude to this very special person who has done more for us than we could have ever hoped for. By standing by us and always being a friend you have taught us the meaning of what high school is all about. For all of this, we dedicate our yearbook to you.

Oh how we miss you  
Your warm and caring smile  
Your brown eyes filled with laughter  
You were only here for a short while

You taught us love and hope  
In your own special way  
You made us all happy  
Until the day you went away

You were so young and full of life  
And with your friends you'd always be  
Motorcycling and skiing  
Your spirit loved to be free

Your last months here were  
The best they could ever be  
You loved to spend time with Chris and  
Angela  
But now you are no longer three

God took you away from us  
And we did not understand  
But for the four of you  
He had much more planned

Now the time rolls on  
And your memory is still clear  
Because to the ones you love  
In our hearts you're always here

And although I'll never know  
Why you had to go away  
You are my little brother and we  
Will meet again, in another time, some  
day.

Maria

#### *My Little Mechanic*

The days are getting nicer  
as I think of all those years  
When the thought of summer brought  
such joy but now there are only tears

I couldn't trade your memories  
cause you meant so much to me  
You made our lives so worth living for  
as fun and loving as can be

You were my little handyman  
my little mechanic so smart and clever  
You would always help me with  
the car but now you are gone forever

You were so strong and powerful  
and yet I would always find  
That you cared so much for everyone  
and now you are always on my mind

You were the only one who believed in me  
you were my only little brother  
Life is so sad and empty now  
cause I know there can never be another

Little Alex, who you loved so much  
calls your name to play  
Soon we'll have to tell him  
that you had to go away

So many times I wish it was  
I instead of the four of you  
But god wanted your friendship  
and without it he could not do

The days will be long ones  
and think of all the years I'll gain  
It will be a hard wait but I know  
my little brother we will meet once again

Maria

Different Strokes for Different Folks!!!

Anyone who has ever wondered what yearbook editors do in their spare time can now find out. Cute scene huh!

This is a small, but most deserving tribute to one of the greatest ladies who has ever been here at Nanuet. She has done more for us than we could ever have expected and she always had a helping hand to lend. For praising us when we deserved it, and for giving us hell when we more than deserved it, and most of all for her ability to pull through "in the clutch". Keeping your sanity was the best trick so, much love and thanks to you Ms. Laura D'Amico.

## To the Class of 1983:

Many of you will take a few moments now and then to thumb through this yearbook to reflect upon your years spent at Nanuet Senior High School. I hope your memories will always be filled with the joys of the many friendships you have made here. Friendships not only among your peers, but the faculty and parent-community as well. I personally will remember you as a dynamic, interesting, innovative class; one which was strongly independent, yet loved doing things together; whether it was carrying on established traditions, such as Halloween Day, Homecoming, Senior Play, Senior Luncheon, or engaging in new ones like "Spirit Week."

I have enjoyed working with you and your class officers. I have been impressed by your class spirit and hard work; whether in the athletic areas, the science labs, the library, the auditorium rehearsing for a play/performance, or the classroom. You have helped make this past year a stimulating, challenging, and pleasant one for me. I will always remember you with fondness and warmth.

My wish for each of you is that you continue to cherish your love of freedom, and that you desire to explore new vistas which will enable you to live creative and productive lives.

John P. Burke  
Principal

Hi Stacey, well so long Volleyball "Stacee, I'm so glad we got to be friends - to think we didn't even know each other last year!! It was a crazy year at that! If it wasn't a great year, you made it one. If I wasn't laughing, you put a smile on my face. You really are a great friend.

I loved spending our horrible days in class together and even gym was hilarious with you.

May be someday we'll double date - You + ??? has me + ??? - you know. Maybe we'll even figure out what Ms. Voluptuous has over us. 'Til next year (or 'til we find a volleyball shirt that fits!) Liz

Nanuet athletics have always been an important part of life in our high school. For the past 26 years there has been one driving force at the helm of this great department. He has stood by us both in victory and in defeat. He has contributed to many things, ranging from the creation of an athletic stadium to the supremacy of continual victorious football teams. For these and many other special achievements, the class of 1983 would like to bid a warm farewell to

Mr. Chester Stopryra

Dear Mr. Stopryra,

We all wish you the best of luck on your retirement and may you enjoy as much happiness and success in all future endeavors as you experienced in Nanuet. You deserve only the best. Also, thanks for all of your help this year with the yearbook, as your aid was invaluable.

As our senior year of high school comes to a close two eras also commence. The first being the time period in which Mr. Stopyra served as our athletic director. He too is graduating in 1983 after twenty six years of dedication to our athletes. Secondly in order to provide equitable competition the PSAL in Rockland, which has been in existence as long as Nanuet High School itself is no longer in operation. The Rockland teams now join Section 1 competing on a league and non-league basis with teams of equal size as our football team has successfully done for the last seven years. To all the athletes who intend to continue on a collegiate level the best of luck in the future!!!

Dearest Gussie -

So I guess sophomore year is almost over! It certainly was wild wasn't it? We have some great memories of this year, and next year will be even better! I'm really glad we became such great friends this year. I mean, who would I cut studyhalls with?

We gotta remember to make the next two years the best they can be because it'll be over before we know it! Soon we'll be sitting over there ← and it will seem like only yesterday I wrote this instead of two years ago. I wish you all the happiness in the next two years because you're such a great person and you deserve it! Don't ever lose your great sense of humor because people like that are hard to come by these days! GOOD LUCK!

P.S. ?Do you remember-? SSShhh! Stace! Don't you da-a-re "Gusses! I, II, III, 12, 21, 99 | wait, uu-mooo? | Volleyball | No, you'd Td good '83-goo-ot it! | Are you sure it's alrigg-hnt? | HEC club. Dear Butch,  
Hi - what's up? Sorry you didn't have much of a  
love life this year but either did I. We will  
work on it next year - I promise. - I had a  
terrific time w/ you in Geo. I hope you don't  
get a disease from sitting on tacks. - Haha!!  
I heard you can get tetanus from them.  
maybe we won't be lucky next year & not  
have Aboud. If Nick is in our Spanish class  
please don't give him any gum. - I hope you  
try out for Rah-Rah's - next year.

Love ya lots!

Carolyn

Dear Stacy,

I had a great time with you this year in Science, Lab, and Spanish. (especially with Mr. Aboud) Thanks for all your help with the Spanish quizzes also!

I really hope next year we're in the same classes together, because then we can have our little talks, like we did in Lab. And don't forget all the good times we had loosing our Vollyball games.

(next year will be #1 right?) So enjoy your summer and if I don't see you (which I hope we do) I'll see ya at R.C.C. in "85" right? Love, Kathi

Dear Jessie,

(wild & dizzy chicks) So how ya doing

Thank god we got out of Bruna's class.

Counting the minutes until the bell rang  
& copying homework off the board. I'm glad  
we were in a few classes together. You're  
a pal. Thank god the cow's class is almost  
over. (Don't you Dare) volleyball was

fun wasn't it? Ready for next year.

(Got it, mine) last period, what a bore!  
Thank God us Jussies stuck together,  
or I would have gone crazy. Still got  
my Florida pen. (Remember who borrowed  
it) We have to get together over the  
summer. O-Tay. all the Jussies.

Well see ya.

Love ya lots.
